A Crisis Racking Our Continent

Millions are **struggling with their mental health**. Join Pastor Alex Rodriguez as he explores the roots of mental illness and stigma . . . and the modern treatments bringing **HOPE** to many who suffer.

Opening Session
Beyond the Asylum
Sunday, April 7, at 8:15 AM
The creepy asylum haunts our imagination, casting a long shadow over mental illness and those who suffer from it. So what happens if we **turn on the lights**?

The Prowling Lion
Anxiety. Depression. Trauma. They wreak havoc on the mind, and millions battle them every single day. We take an inside look at people's **fight to survive**—and thrive.

Sunday, April 14, at 8:15 AM

No War Crutches, Electroshock Therapy
Mental health treatments have some truly **hair-raising histories**. Learn how crude past practices evolved into today's robust psychiatric care and exciting **cutting-edge treatments**.

Sunday, April 21, at 8:15 AM

Binding Up the Broken-Hearted
More and more people are successfully combining biblical principles with clinical therapies. Could there be a vital link between **spirituality** and **mental health**?

Sunday, April 28, at 8:15 AM
