Community Event Center Dedication - Sabbath, April 13 - The long-awaited Community Event Center has already been used for several functions. Now that it is fully functional, it is fitting that the Pasco Riverview Church family formally dedicate this facility to advancing God's mission in our community. At the beginning of the worship service on April 13, a special thanks will be expressed to the general contractor and a few others who have generously provided skilled services in the construction of the building.

In the afternoon, following a church-wide fellowship lunch, there will be a short review of the building project history, the purposes envisioned for the Center, a financial status update and an opportunity to collectively dedicate this new facility to the honor and glory of God. It will be a time for fellowship, reflection, rejoicing and renewed commitment to our calling as God's ambassadors.

Anxiety. Depression. Trauma. They wreak havoc on the mind, and millions battle them every single day. We take an inside look at people's **fight to survive**—and thrive.

Sunday, April 14, at 8:15 AM

Mental health treatments have some truly **hair-raising histories**. Learn how crude past practices evolved into today's robust psychiatric care and exciting **cutting-edge treatments**.

Sunday, April 21, at 8:15 AM

More and more people are successfully combining biblical principles with clinical therapies. Could there be a vital link between **spirituality and mental health**?
